Admission Requirements

(All Applicants): Miracle Beauty and Nails Academy does not discriminate in its employment, admission, instruction, or graduation policies on the basis of sex, race, age, color, ethnic origin, or religion. Miracle Beauty and Nails Academy does not recruit students enrolled in the same program from another institute. Also, potential students being interviewed are strongly encouraged to research and visit other schools before making a final decision.

Miracle Beauty and Nails Academy requires that each student enrolling into the institution must:

Be able to understand and complete an application for enrollment.

Be at least 18 years of age. Proof of age can be shown through a driver's license, birth certificate, etc.

Provide a federally issued photo identification, such as a driver's license, identity card, passport, etc.

Provide proof of secondary education, such as a high school diploma, a GED certificate, an official transcript showing secondary school completion, or a state certification of home-school completion.

Should an enrolling student provide a foreign high school diploma, the applicant is responsible for obtaining an English translation of the document, along with confirmation that the education received is equivalent to a U.S. high school diploma. This documentation must come from a licensed and approved agency, such as: World Educational Services (WES), Globe Language Services, and Josef Silny and Associates.

Be interviewed prior to enrollment and complete an entry questionnaire.

Submit a \$50 non-refundable application fee.

Additionally, individuals enrolling into the Esthetics Instructor program or Cosmetology Instructor program must:

Be licensed in the applicable field. (For Instance: Esthetics Instructor students must have an esthetician license, etc.)

Miracle Beauty and Nails Academy does not offer ABILITY TO BENEFIT. Students will be notified of acceptance via phone or in writing.

Providing false information for the purpose of gaining admission or access to financial assistance is a violation of law and could result in criminal prosecution as well as denial of admission or termination from Miracle Beauty and Nails Academy.

Additional Admissions Requirements for Foreign Students:

Miracle Beauty and Nails Academy accepts United States citizens and foreign nationals who are permanent residents (or have documented proof that they are in a candidacy/application part of the process), and foreign nationals with a valid non-immigrant status who are eligible to attend school. Foreign nationals may enroll if they possess a current visa and a valid I-94 (which allows attendance at school), which do not expire prior to their scheduled graduation date. Additional acceptable enrollments:

At the current time, Miracle Beauty and Nails Academy is not approved to receive Title IV (Federal Financial Aid) through the Department of Education. Also, any available financial aid offered by the school or any scholarships that the school may offer is available to only those that qualify.

Additional Admission Requirements – Transfer Students

Miracle Beauty and Nails Academy may accept appropriate credit from other licensed schools for previous education. This School does not guarantee the transferability of its credits to any other institution unless there is a written agreement with the institution. This school may accept credit from other licensed schools for previous education that is not more than two years old based on receiving official transcripts prior to any enrollment. Once the transcripts have been received, Miracle Beauty and Nails Academy evaluates the prior credit to determine how many hours will be accepted and applied towards the program for which the applicant is seeking enrollment. The contract length of the program is shortened by the number of hours accepted. This is documented on the student's enrollment agreement. The institution maintains record of prior credit in the student's file. (U.S. Code 3675 (b) (2) and 3676 (c) (4).

Awarding Credits and/or Hours to Transfer Students: Please note Miracle Beauty and Nails Academy do accept school hours from another school for these programs based on the guidelines as set forth by the school licensing agency, DPOR (18VAC41-20-280.B.1/18VAC41- 40-260.B.1) Further, the institution does not accept transfer hours for the following programs: Cosmetology Instructor; Esthetics Instructor; Permanent Cosmetics; Master Permanent Cosmetics.

However, Miracle Beauty and Nails Academy is authorized to, and does, accept transfer hours from students wishing to enroll in the following programs:

Cosmetology (18 VAC 41-20-280.B.1/ 18 VAC 41-40-260.B.1)

Barbering (18 VAC 41-20-280.B.1/ 18 VAC 41-40-260.B.1)

Nail Technician (18 VAC 41-20-280.B.1/ 18 VAC 41-40-260.B.1)

Wax Technician (18 VAC 41-20-280.B.1/ 18 VAC 41-40-260.B.1)

Esthetics (18 VAC 41-70-190-D)

Master Esthetics (18 VAC 41-70-190-D)

The transfer hours accepted can be no more than 50% of the program. The school will not grant any credit for life or work experience.

Additional Admission Requirements – Re-Entry Students

Any student seeking re-entry must complete required re-entry paperwork through the admissions office. Re-entry for any student will be determined depending on student status: such as current tuition

payment, current academic requirements with a 75% minimum grade average, a personal interview with school administration, payment of a re-entry fee of \$50.00. Re-entry students will return in the same academic standing status as when they withdrew.

When re-entering into the same program, all previous hours are honored. If re-entering the institution to enroll in another program, the hours awarded will be based on the new program's curriculum requirements. Re-entry hours awarded are identified on enrollment agreements.

Student will be responsible for all books and supplies necessary for the program in which they are re-entering into (except items included in course cost).

Student will be charged according to price for new program and for needed hours for completion of course.

Outstanding tuition, and all outstanding fees must be paid in advance or satisfactory arrangements must be made with the administration in order to be readmitted to the school.

Students requesting to be readmitted to the Academy must submit an application and pay the application fee of \$50.

Students wishing to transfer to another institution must pay all monies owed and all applicable requirements must be met in order for the hours to be released. There will be a \$50.00 fee for official transcript. The school does not make any guarantee that another school must or will accept hours. It is at their sole discretion.

Student Orientation:

All incoming Students must attend Orientation, which will be held on the students' scheduled start date. During Orientation, the following topics are reviewed:

Catalog

Course Outline

Annual Report/Outcomes Rates

Placement Rate, Graduation Rate, Licensure Rate

Pre-requisites for employment

Financial and Consumer Information

Factors that may preclude an individual from obtaining employment, to include:

Licensure requirements,

Regulatory oversight restrictions

Physical requirements of the industry

Ability to meet requirements set forth by the employer

For Massage Therapy, Nail Technology, Master Permanent Cosmetics, and Permanent Cosmetics enrollees: Rationale for the program exceeding the State required length.

Attendance Policy:

All students are expected to attend all classes according to the schedule on their enrollment agreement. Attendance is required to maximize every educational opportunity and to ensure successful completion of their program. Students are required to maintain a cumulative attendance rate of 75% to be determined as making Satisfactory Academic Progress. Each student is required to clock in and out using the Time Clock System when entering and leaving the school, as well as for scheduled lunches.

Make Up Work Policy:

The “make up work policy” affords student the opportunity to make up work and tests that they have missed. Students who miss or fail a test must make up the test prior to graduation in order to receive credit for the test. The student is responsible to make arrangements with the instructor to schedule a time to make up the test. Missed tests will be posted as a ZERO until the time that they are made up. Missed and failed tests will adversely affect the student’s Grade Point Average (GPA) and Satisfactory Academic Progress (SAP). The Director will determine the availability of makeup hours.

Graduation Requirements:

The graduation requirements for all courses are as follows:

Complete the required hours of training and exams.

Take and pass a final examination on practical procedures, and a final written exam with a minimum score of not less than 75%.

Fulfill all financial obligations to the school or have an approved payment plan in place prior to program completion.

Completion of an exit interview and required exit paperwork.

Upon graduation, a CERTIFICATE OF COMPLETION will be awarded.

Certification of hours will not be provided until all tuition charges have been paid-in-full or approved payment arrangements have been made. Payment arrangements must be made prior to program completion. The school will provide the student with the necessary information for state board testing once all obligations to the school has been met.

Licensing Requirements:

Miracle Beauty and Nails Academy is licensed through the Department of Professional and Occupational Regulations (DPOR). Students will be provided instruction that educates them on the requirements of DPOR as it relates to the program, the curriculum, and state board testing for licensing. Miracle Beauty and Nails Academy follows all required and applicable laws of DPOR and all other regulatory bodies that Miracle Beauty and Nails Academy is licensed and/or accredited through.

Any student with a criminal conviction will be required to contact DPOR prior to enrolling to ensure that their conviction will not prohibit them from being licensed upon successful completion of their respective program.

Upon completion of the course, the student will be required to register, pay for, and pass a theory state board examination and/or a practical state board examination as a state requirement to receiving their state license. The student is responsible for all applicable state board examination fees.

Optional Testing: Students will be able to schedule a mock test, courtesy of the school, to get prepared for state board testing

Americans With Disabilities Act (ADA)

Miracle Beauty and Nails Academy is committed to equal education opportunity and does not discriminate on the basis of race, color, age, sex, gender, religion, sexual orientation, ethnic origin/national origin, disability, perceived gender, or gender identity. The School is responsible for

ensuring that students with disabilities are provided Reasonable Accommodations that meet their corresponding needs (academic adjustments, auxiliary aids, and services). Student requests for accommodation will be considered under the Reasonable Accommodation Policy in compliance with the ADA, as amended, and Section 504 of the Rehabilitation Act of 1973 without discrimination. The need for Reasonable Accommodations depends upon the Student's disability and is determined by the needs of the Student, documentation from the Student, and documentation from appropriate professionals. The determination of what specific accommodations will be provided will be based upon evaluation of the individual Student's documentation, personal needs, and academic requirements. A Student's Reasonable Accommodation may be subject to review and adjustment from time to time.

The School Director is generally designated as the Local Disability Compliance Coordinator. All requests for Reasonable Accommodation should be submitted to the Director.

Any qualified individual with a disability requesting an accommodation or auxiliary aid or service should follow this procedure.

RESPONSIBILITIES of STUDENTS WITH DISABILITIES:

Meet all admission qualifications and be able to perform all items on the designated school forms with or without reasonable accommodations.

Self-Identify as a Student with a disability

Complete the request for Reasonable Accommodation and provide documentation

Follow established procedures for requesting accommodations

Request accommodations in a timely manner by meeting with the Director

Notify the Director if there are difficulties securing accommodations, or with the quality or effectiveness of the accommodations provided.

If a request for Reasonable Accommodation is denied, file an appeal within 10 days of its denial, if you disagree with the denial.

RESPONSIBILITIES OF MIRACLE BEAUTY AND NAILS ACADEMY:

Ensure the programs, services, and activities are accessible

Explore and provide appropriate Reasonable Accommodations that maintain the academic integrity of the educational program.

Communication with the student with a disability about Reasonable Accommodations

Ensure that all information will be maintained and used in accordance with applicable confidentiality requirements.

Start Dates and Schedules:

The Academy operates continuously on the following schedule throughout the year except for **"recognized holidays" as presented below. Classes are scheduled to begin the first Monday of every month. In the event a class date falls on a scheduled holiday, in which the school is closed, the start date will occur on the second Monday of that scheduled month

Programs are offered on the following schedules:

30 days from their last day attendance of the equipment and personal belongings will be removed by the School and disposed of accordingly.

Refund Policy:

This policy complies with the policy mandated by SCHEV and Virginia State Board, as well as with the NACCAS Withdrawal and Settlement Policy and the Virginia Department of Veterans Services.

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid to the school.

Three-Day Cancellation: An applicant who provides written notice of cancellation within three (3) business days, excluding weekends and holidays, of executing the enrollment agreement is entitled to a refund of all monies paid, excluding the \$50 non-refundable application fee.

Other Cancellations: An applicant requesting cancellation more than three (3) days after executing the enrollment agreement and making an initial payment, but prior to the first day of class, is entitled to a refund of all monies paid, less a minimum tuition fee of 15% of the stated cost of the course or \$100, whichever is less.

Withdrawal Procedure:

Official cancellation or withdrawal shall occur when a student is expelled from the school and/or withdraws.

A student choosing to withdraw from the school after the commencement of classes is to provide written notice to the Director of the School. The notice must include the expected last date of attendance and be signed and dated by the student. The cancellation or withdrawal date will be determined by the postmark on written notification or the date the information is delivered to the school in person.

For students who fail to return from a leave of absence, the withdrawal determination date will be the date the student is scheduled to return from the leave of absence but failed to do so.

Unofficial withdrawals for clock hour students are determined by the school through monitoring clock hour attendance at on a daily basis.

Refunds are calculated using the student's actual completed hours as of the Student's last date of attendance. Total Time means the total hours of instruction for the Program in which the Student is enrolled. Any refunds due to the Student shall be refunded within forty (40) days of formal cancellation as defined or formal termination by the school, which shall occur no more than fourteen (14)

consecutive days from the last day of physical attendance or the date that the Student contacts the institution to indicate that he/she will not be returning.

Tuition refunds will be determined as follows: (Please note that the following text provides the minimum refund policy pursuant to 8 VAC 40-32-160 (N) of the Virginia Administrative Code; the school may exceed these standards and be more generous to students. If the school is eligible to participate in federal financial aid programs (Title IV), the school's refund policy must also comply with the federal guidelines and be described in the enrollment agreement.)

Refund Schedule for all students is as follows:

Withdrawal before class beginning date: 100% Refund

Withdrawal up to 25% of hours completed = 75% Refund

Withdrawal after 26 - 50% of hours completed = 50% Refund

Withdrawal after 51-75% of hours completed = 25% Refund

Withdrawal after 76% or more hours completed = NO REFUND

If the school is permanently closed, or no longer offering instruction after a student has enrolled, the school will provide a pro-rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution.

If the selected Program is cancelled subsequent to the Student's enrollment, but before the Student started class, the School shall provide Student with a full refund of all monies paid by the Student OR provide alternative means for the Student's completion of the Program.

If the School cancels a course and/or program and ceases to offer instruction after the Student has enrolled and instruction has begun, the school shall provide a completion of the course and/or program; OR provide a pro-rata refund for all Students transferring to another school based on the hours

accepted by the receiving school OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.

Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: Extra Kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in the school's Enrollment Agreement.

Return to Title IV

RETURN OF TITLE IV, HEA POLICY

When you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. Miracle Beauty and Nails Academy will calculate the amount of tuition to be returned to the Title IV, HEA Federal fund programs according to the policies listed below.

RETURN TO TITLE IV FUNDS POLICY

This policy applies to students' who withdraw officially, unofficially, fail to return from a leave of absence, or are dismissed from enrollment at Miracle Beauty and Nails Academy. It is separate and distinct from the Miracle Beauty and Nails Academy institutional refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

Post-withdraw disbursements will occur within 90 days of the date that the student withdrew.

"Official" Withdrawal from the School

A student is considered to be "Officially" withdrawn on the date the student notifies the Financial Aid Director or School Director in writing of their intent to withdraw. The date of the termination for return and refund purposes will be the earliest of the following for official withdrawal:

1. Date student provided official notification of intent to withdraw, in writing or orally.

2. The date the student began the withdrawal from Miracle Beauty and Nails Academy records. A student is allowed to rescind his notification in writing and continue the program. If the student subsequently drops, the student's withdrawal date is the original date of notification of intent to withdraw.

Upon receipt of the official withdrawal information, Miracle Beauty and Nails Academy will complete the following:

Determine the student's last date of attendance as of the last recorded date of academic attendance on the school's attendance record;

Two calculations are performed:

- a. The student's ledger card and attendance record are reviewed to determine the calculation of Return of Title IV, HEA funds the student has earned, and if any, the amount of Title IV funds for which the school is responsible. Returns made to the Federal Funds Account are calculated using the Department's Return of Title IV, HEA Funds Worksheets, scheduled attendance and are based upon the payment period.
- b. Calculate the school's refund requirement (see school refund calculation):

The student's grade record will be updated to reflect his/her final grade.

Miracle Beauty and Nails Academy will return the amount for any unearned portion of the Title IV funds for which the school is responsible within 45 days of the date the official notice was provided.

The school will provide the student with a letter explaining the Title IV, HEA requirements:

- a. The amount of Title IV assistance the student has earned. This amount is based upon the length of time the student was enrolled in the program based on scheduled attendance and the amount of funds the student received.
- b. Any returns that will be made to the Title IV, HEA Federal program on the student's behalf as a result of exiting the program. If a student's scheduled attendance is more than 60% of the payment period, he/she is considered to have earned 100% of the Federal funds received for the payment period. In this case, no funds need to be returned to the Federal funds.
- c. Advise the student of the amount of unearned Federal funds and tuition and fees that the student must return, if applicable.

6. Supply the student with ledger card record noting outstanding balance due to the school and the available methods of payment. A copy of the completed worksheet, check, letter and final ledger card will be kept in the student's file.

In the event a student decides to rescind his or her official notification to withdraw, the student must provide a signed and dated written statement that he/she is continuing his or her program of study, and intends to complete the payment period. Title IV, HEA assistance will continue as originally planned. If the student subsequently fails to attend or ceases attendance without completing the payment period, the student's withdrawal date is the original date of notification of intent to withdraw.

Unofficial Withdrawal from School

In the event that the school unofficially withdraws a student from school, the School Director and/or Admissions Director must complete the Withdrawal Form using the last date of attendance as the drop date.

Any student that does not provide official notification of his or her intent to withdraw and is absent for more than 14 consecutive calendar days, fails to maintain satisfactory academic progress, or fails to comply with the school's attendance will be subject to termination and considered to have unofficially withdrawn.

Within one week of the student's last date of academic attendance, the following procedures will take place:

1. The education office will make three attempts to notify the student regarding his/her enrollment status;
2. Determine and record the student's last date of attendance as the last recorded date of academic attendance on the attendance record;
3. The student's withdrawal date is determined as the date the day after 14 consecutive calendar days of absence;
4. Notify the student in writing of their failure to contact the school and attendance status resulting in the current termination of enrollment;

5. Miracle Beauty and Nails Academy calculates the amount of Federal funds the student has earned, and, if any, the amount of Federal funds for which the school is responsible.
6. Calculate the school's refund requirement (see school refund calculation);
7. Miracle Beauty and Nails Academy administration will return to the Federal fund programs any unearned portion of Title IV funds for which the school is responsible within 45 days of the date the withdrawal determination was made, and record on student's ledger card.
8. If applicable, Miracle Beauty and Nails Academy, will provide the student with a refund letter explaining Title IV requirements:
 - a) The amount of Title IV aid the student has earned based upon the length of time the student was enrolled and scheduled to attend in the program and the amount of aid the student received.
 - b) Advise the student in writing of the amount of unearned Title IV aid and tuition and fees that he/she must return, if applicable.
 - c) Supply the student with a final student ledger card showing outstanding balance due the school and the available methods of payment.
9. A copy of the completed worksheet, check, letter, and final ledger card will be kept in the student's file.

Withdrawal before 60%:

The institution must perform a R2T4 to determine the amount of earned aid up through the 60% point in each payment period or period of enrollment. The institution will use the Department of Education's prorate schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

Withdrawal after 60%:

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, a school must still determine whether the student is eligible for a post-withdrawal disbursement.

Note: Institution should provide and examples of the calculations used to determine the amount of unearned aid a student would be expected to repay based on the reported last day of attendance of the term from which a student withdraws?

Order of Return

Miracle Beauty and Nails Academy is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 work sheet performed on your behalf is available through the office upon student request.

In accordance with Federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of the R2T4 Funds" is allocated in the following order:

Unsubsidized Federal Stafford loans (other than PLUS loans)

Subsidized Federal Stafford loans

Federal PLUS loans received on behalf of the student

Federal Direct Plus loans received on behalf of the student

Federal Pell Grants for which a Return is required

Earned AID:

Title IV, HEA aid is earned in a prorated manner on a per diem basis (calendar days or clock hours) up to the 60% point in the semester. Title IV, HEA aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid director.

Time frame for returning an unclaimed Title IV, HEA Credit Balance

If a school attempts to disburse the credit balance by check and the check is not cashed, the school must return the funds no later than 240 days after the date the school issued the check.

If a check is returned to a school or an EFT is rejected, the school may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. When a check is returned or EFT is rejected and the school does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period.

The school must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check.

Institution Responsibilities

Miracle Beauty and Nails Academy's responsibilities in regard to Title IV, HEA funds follow:

Providing students information with information in this policy;

Identifying students who are affected by this policy and completing the return of Title IV funds calculation for those students;

Returning any Title IV, HEA funds due to the correct Title IV programs.

The institution is not always required to return all of the excess funds; there are situations once the R2T4 calculations have been completed in which the student must return the unearned aid.

Overpayment of Title IV, HEA Funds

Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with Miracle Beauty and Nails Academy or Department of Education to return the amount of unearned grant funds.

Post Withdrawal Disbursement

The institution must disburse any Title IV, HEA grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew and disburse any loan funds a student accepts within 180 days of that date.

The institution will offer any post-withdrawal disbursement of loan funds within 90 days of the date it determines the student withdrew.

If you did not receive all of the funds that you have earned, you may be due a post-withdraw disbursement. Miracle Beauty and Nails Academy may use a portion or all of your post-withdraw disbursement for tuition and fees (as contracted with Miracle Beauty and Nails Academy). For all other school charges, Miracle Beauty and Nails Academy needs your permission to use the post-withdraw disbursement. If you do not give permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

Student Responsibilities in regards to Return of Title IV, HEA funds

Returning to the Title IV, HEA programs any funds that were dispersed to the student in which the student was determined to be ineligible for via the R2T4 calculation.

Any notification of withdraw should be in writing and addressed to the appropriate institutional official.

A student may rescind his or her notification of intent to withdraw. Submissions of intent to rescind a withdraw notice must be filed in writing.

These notifications, to either withdraw or rescind to withdraw must be made to the official records/registration personal at your school.

Refund vs. Return to Title IV, HEA Funds

The requirements for the Title IV, HEA program funds when you withdraw are separate from any refund policy that Miracle Beauty and Nails Academy may have to return to you due to a cash credit balance. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Miracle Beauty and Nails Academy may also charge you for any Title IV, HEA program funds that they were required to return on your behalf.

If you do not already know what Miracle Beauty and Nails Academy's refund policy is, you may ask your school's Financial Planner for a copy.

Return to Title IV, HEA Questions

If you have questions regarding Title IV, HEA program funds after visiting with your financial aid director, you may call the Federal Student Aid Information Center at 1-800-4-fedaid (800-433-3243). TTY users may call 800-730-8913. Information is also available on student aid on the web www.studentaid.ed.gov.

*This policy is subject to change at any time, and without prior notice.

*Disclaimer: At the current time, Miracle Beauty and Nails Academy is not approved to receive Title IV (Federal Financial Aid) through the Department of Education.

Leave of Absence Policy (LOA):

For those students who find it necessary to be out of school for an extended period of time, a leave of absence is available. A Leave of Absence must be requested in writing, a form is available from the Director. Leaves of Absence requests will only be approved for seven (7) or more calendar days. Leave of Absence requests are strongly discouraged during the "Beginning" phase of training. An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance a LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during a LOA.

A leave of absence must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring an institution to perform a refund calculation.

Miracle Beauty and Nails Academy requires that all requests for leaves of absence be submitted in advance in writing, include the reason for the student's request, and include the student's signature.

A student must apply in advance for a LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the institute, the student would not have been able to provide the request prior to the LOA in advance.

Our school may grant a LOA to a student who did not provide prior to the LOA due to unforeseen circumstances, if the institute documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institute to be the first date the student was unable to attend the institute because of the accident.

The student must follow the institute's policy in requesting the LOA. There must be reasonable expectation that the student will return from the LOA to request the LOA in advance. Approval of the student's request for a LOA is in accordance with the institute's policy.

The institute will not assess the student any additional institutional charges as a result of the LOA. Leaves of Absence may not exceed 180 calendar days in any 12-month period. The minimum LOA allowed is for a period of seven (7) days. No federal student loan monies can be disbursed during a leave of absence.

A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The institution will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. If a student does not return to the institution, the withdrawal date for the purpose of calculating a refund is always student's last day of attendance.

Grievance Policy:

In accordance with the institution's objectives, Miracle Beauty and Nails Academy will make every effort to resolve student grievances. The school maintains an open-door policy in regard to grievances. All students have the right to voice concerns and expect appropriate corrective action to any issue that may be interfering with the educational process, or to receive an explanation of why the issue is not applicable.

A student is first encouraged to verbally discuss any concerns/grievances with his/her instructor.

If the concern/grievance is not resolved after this discussion, then the student must complete a Conflict Resolution form. This form is to be submitted to the school Admissions Representative, who then provides the form to the school Director.

Once the school Director has conducted an investigation into the matter, a meeting between the Director and student is scheduled to discuss the grievance and findings of the investigation within 15 days of receiving the grievance. The meeting is documented on a Communication Log. If the matter is resolved, the resolution is documented and signed on the applicable area of the Conflict Resolution form.

If the matter is not resolved during this initial meeting, the grievance will be escalated to the CEO for continued investigation. Once the CEO has completed the investigation, a second meeting between the CEO, Director, and the student is scheduled to discuss the findings and resolution. Every attempt will be made to have the final response/meeting within 15 days of the grievance being escalated to the CEO. The meeting is documented on a Communication Log. If the matter is resolved, the resolution is documented and signed on the applicable area of the Conflict Resolution form.

If the student is unsatisfied at the conclusion of this process, a grievance may be filed with the School's accrediting agency or other oversight agencies. A record of grievances and procedures used to resolve issues will be maintained for the purpose of institutional improvement.

SAA Grievance Policy: The Virginia State Approving Agency (SAA), is the approving authority of education and training programs for Virginia. The SAA office investigates complaints of GI Bill Beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the SAA office via email at saa@dvs.virginia.gov.

Family Education Rights and Privacy Act Policy: (FERPA)

In accordance with the Family Education Rights and Privacy Act, it is the policy of Miracle Beauty and Nails Academy to maintain confidentiality of information entrusted to it by eligible Students, prospective Students or parent/guardian(s) of a dependent minor child. Therefore, prior to each release of information an "Authorization for Release of Information" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student or parent/guardian. An "Authorization for Release of Information" form is not required, for Students, prospective Students, or guardian(s) of dependent minor Students wishing to review their own records or for legal or accreditation purposes. School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information, as required, to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees/awards received. FERPA also permits release of personally identifiable, nondirectory, information in connection with a health or safety emergency that presents imminent danger. Student or parent/guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S. Department of Education's Family Policy Compliance Office.

A Student, or parent/guardian of dependent minor Student, may review the Student's record by contacting the Director to make an appointment. The Director will be present during the review to provide supervision and interpretation. A Student shall be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this catalog or any supplement to this catalog. An eligible Student, or parent/guardian of a dependent minor Student, may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights. The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is accurate, misleading, or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record.

Policy for Safeguarding Student Information:

Miracle Beauty and Nails Academy is committed to implementing and maintaining a comprehensive information security program, to maintain and safeguard your non-public personal information against damage or loss. The policy follows FERPA guidelines and covers all student records in whatever form (hard copy, electronic).

The School Director shall be responsible to coordinate the school's information security program. The Director shall, at least once every three (3) years, assess foreseeable internal and external risks to the security, confidentiality, and integrity of student information that could result in the unauthorized disclosure, misuse, alteration, destruction or other compromise of the information. The risk assessment shall cover every relevant area of school operation, including employee training & management, network & software design, information processing storage, transmission and disposal, and ways to detect, prevent, and respond to attacks, intrusions, or other system failures. The Director shall design and implement safeguards to control identified risks and shall monitor the effectiveness of them, recommending changes when warranted.

Records for prospective students who are not accepted, or who do not enroll in the school, will be held for 12 months then destroyed in a secure manner. Records of enrolled students shall be maintained in accordance with federal law, state law and accreditation requirements. Students shall receive notice of this policy at the time they enroll.

Miracle Beauty and Nails Academy shall only enter into service agreements with service providers who also maintain appropriate safeguards for customers' non-public personal information. Cumulative education records are maintained for each student for a minimum of six (6) years after graduation or termination.

Employment Assistance/Career Counseling:

While the school cannot guarantee employment for graduates, assistance in finding suitable employment is provided by posting area job openings on a career opportunities bulletin board for students to review. Students also receive training in how to write a resume, complete an employment application and prepare for an effective interview

Uniforms must be clean at all times and free of stains. If uniforms become stained, faded or damaged, a new uniform must be purchased by student.

Student Services, Housing and Counseling:

The school conducts an orientation program on the first day of class, which provides information about the instructional programs, goals of each course, policies affecting students, and services available to students. Students have access to advising from members of the school staff regarding their program of study, progress, financial affairs, housing, placement, or other areas in which the student may need assistance (including referral to professional assistance) when necessary. Students whose progress in the course is unsatisfactory are advised and provided any additional assistance available. When requested, the school may provide assistance and advisement in acquiring adequate housing facilities. A student requiring housing assistance should contact the school prior to enrollment. Housing is not provided by the school.

Campus Crime Statistics & Security Information:

A handout detailing campus crime statistics is provided at the time of enrollment and is also made available upon request from the School Director.

REPORTING A CRIME OR AN EMERGENCY

Any person in immediate danger or having an emergency should contact local police immediately by dialing 911. All crimes should be reported to a school official, along with local authorities, once a crime has taken place. Miracle Beauty and Nails Academy will not be held responsible for any personal incident, but must be made aware of any altercations that any and all faculty and students may be involved in on school property.

Campus Owner

In the event of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus, the academy will, without delay, and taking into account the safety of the community:

Confirm the existence of a significant emergency or dangerous situation

Determine the appropriate facility to receive an emergency notification

Determine the content of the notification and initiate the notification system

SAFETY TIPS

Here are some safety tips for personal safety and loss prevention:

Protect your possessions: keep bookbags and purses with you at all times or locked in a secure place

When working late or attending evening classes, always have a buddy system. Never leave the building without someone else with you.

Walk with other people whenever possible, and avoid alleys and poorly lit or deserted parking lots and streets

Walk with confidence: show you are alert and in control. Be aware of your surroundings

If you think someone is following you, abruptly switch directions or cross the street

Have your car or house keys available before you reach your door

Don't flash large amounts of cash or other valuable objects

Avoid using ID tags with your name, address or license number on your keys; if lost, they could lead to theft

Keep car doors and windows locked

If your purse or wallet is being stolen, don't fight for it. Rather than risk the personal injury, release it and report the incident to local police and school personnel

Drug Abuse Prevention:

Miracle Beauty and Nails Academy actively supports the prevention of drug and alcohol abuse. Employees and students are provided the school's policy on drug and alcohol abuse via the catalog and printed literature. A list of agencies and counselors is also available on the state website DrugAbuse.com for personal assistance and is available to any employee or student requesting assistance.

Miracle Beauty and Nails Academy is a Drug Free Environment and will not tolerate any drug use on or off the premises. Random drug test may be done and/or you may be required to get a drug test. Violators will be terminated immediately.

If a student or employee is suspected of being intoxicated or having any level of alcohol in their system while present in school, they will be required to have an alcohol and/or drug test done. If it is verified that students have violated these rules, as per the Termination policy, they will be terminated. Students will receive a written notice of termination with reason for termination. Student may request information in writing regarding termination and will be provided with such information.

Miracle Beauty and Nails Academy prohibits the unlawful possession, use or distribution of drugs and alcohol by students and/or employees on the school property or as a part of a school activity; including but not limited to: barbiturates, marijuana (also known as: weed or cannabis), cocaine (crack), methamphetamine (meth, crystal meth), alcohol (beer, liquor).

Virginia Code Sanctions 18.2-250 assigns possession of a schedule 1 or 2 controlled substance as a class 5 felony which could lead to 2 to 10 years in prison and/or a fine up to \$2,500.

Schedule 1 Controlled substances include heroin, cocaine, LSD and methamphetamine

Drinking and drug abuse can impair a student's and employee's ability to perform his or her full potential as a beauty professional. And places the client and oneself in harm's way. Miracle Beauty and Nails Academy employees and students are encouraged not to use, nor abuse pain relievers, controlled substances and alcohol while on or off schools' premises. Miracle Beauty and Nails Academy conducts training sessions with its employees during quarterly meetings. These training sessions are designed to set clear expectations and penalties, to identify students and employees who are at risk of delinquent behavior; weave research-based prevention curriculum into the school day. The school encourages staff-leaders to be advocates for student safety on campus; and involve family members if possible, in an intervention program when a student or employee is caught using drugs and alcohol.

New students enrollees and employees are made aware of the school's drug prevention policy via pre-enrollment, orientation, and/or first day of hire.

OSHA Requirements:

In compliance with United States Department of Labor Occupational Safety and Health Administration requirements, the school advises its students of the chemicals used in cosmetology/related training. During the course, students learn about the importance of safety in the work place and how to use and follow the Material Safety Data Sheets (MSDS) for chemicals used in cosmetology or related training. During each unit of study, students are apprised of the various chemicals used and safe practices that apply. A complete file containing Material Safety Data Sheets for the chemicals used is available in the administrative office. The school endeavors to facilitate a safe environment for staff and students by teaching the proper and safe use of equipment tools and products. The school does not assume responsibility for injuries resulting from improper or unsafe use of equipment, tools, or products.

Miracle Beauty and Nails Academy Rules & Regulations:

Student agrees to attend class regularly, as scheduled on enrollment agreement, and as may appear on all bulletins and notices.

Students are to arrive to school on time. Repeated tardiness and absences may lead to suspension or termination.

Students are only permitted to attend class during their regularly scheduled time. A student may not "show up" to school at their leisure, and may not clock in more than 15 minutes earlier than their scheduled time. If a student wishes to come in during a non-scheduled time, they must submit a written request three school days in advance, and will, thereby, be held accountable to the attendance and tardy policies. If the student arrives during a nonscheduled time, they will not be able to attend class that day.

Student must arrive to school in proper uniform, neatly groomed, with black shoes and socks. No head gear such as "du rags" or scarfs. No opened toe shoes.

Students are to be in their area of study (classroom or library) or assigned area of practice during class hours.

Students are to show up with all kits, supplies, and materials needed for the course of enrollment. *In addition, if a client should arrive, or is scheduled, and the student does not have necessary supplies, they will be required to purchase supplies from the school, if applicable.

Students will be assigned duties to perform daily; your duty must be done before leaving that day. School official must give approval to clock out for the day.

Students are to be dismissed for lunch by the instructor at the same time, unless working on a client, or completing scheduled training, lunch begins at the time of dismissal. If a student is not clocked in one-hour after dismissal for lunch, they will be considered late.

Students are not to clock out for the day for lunch, or leave the building at any time, unless they have been dismissed from school by a school official. All duties must be checked and purple folder must be verified.

Students must maintain an average grade of 75% or higher to be deemed making satisfactory academic progress.

If a student fails to turn in special assignments three days after the original due date, the student will automatically receive a "0" as the grade.

The school is not responsible for any lost or damaged property in the school during school hours or items left at school. This includes books, manikins, etc. You are encouraged to write your name on all of your supplies. A locker is provided for students to store possessions during your class. You are responsible for providing the lock.

When a student has been given an assignment by the instructor, the student is expected to promptly execute, and complete the assignment. When the student has finished the assignment, the student shall come to the instructor for further assignments.

Students must maintain at least a 75% attendance average to be deemed making satisfactory academic progress.

Students are to maintain a professional attitude and behave in a professional manner (no profanity, gossiping, and no arguing). Cell phones are not allowed to be used on the student salon clinic floor.

Students are allowed to perform services on each other if there are no customers. This will only be allowed at designated times. Students will not choose when to perform services on each other. Students must be in designated area when performing services.

No change or representation in the contract will be recognized, unless made in writing and signed by both parties. Students are responsible for their own equipment and personal property.

Students must obey all rules of personal hygiene, sanitation, and sterilization while in school.

Students will not be permitted to class without a clean, proper uniform and necessary equipment and supplies.

Basic services are free. These services include shampoo and basic styles, basic facials, facial waxing, and all nail services. All other services are 50% off.

Students are responsible for making payments on due dates. Late payment result in a nonrefundable \$25.00 late fee. Students must request in writing needed time off and get written approval from the school official.

Disrespecting or insubordination to school officials will not be tolerated and may lead to termination.

Cellular phones must be kept on vibrate and cannot be used during classroom time.

Students who fail to comply with the rules and regulations of the school may be suspended and/or terminated and charged according to the refund policy.

Satisfactory Academic Progress Policy:

Satisfactory Academic Progress (SAP) is required for all enrolled students. All students are provided with access to the catalog and SAP policy prior to enrollment. Students have access to the SAP evaluations, as they are contained in student files. All students are required to comply with SAP policy, as set forth by the U.S. Department of Education and NACAAS.

REQUIREMENTS

In order to meet SAP, Students must meet both of the following:

Academic Requirement – 75% Qualitative Grade Average

Attendance Requirement – 75% Quantitative Attendance Average

School holidays are not considered in the calculation of quantitative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another school toward the student's educational program are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on contracted hours.

Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation.

Students who do not meet academic requirements or attendance requirements as of the evaluation may lose eligibility for financial aid from Title IV program (private pay and financial assistant) funds and may be subject to termination from the program.

GRADING PROCEDURE

Students receive a number of theory and practical assessments during each required course in their respective programs. Evaluation, feedback and grades are given to the Student for each assessment. Work is graded using the following grading scale:

EXCELLENT – 100-93 || VERY GOOD – 92-85 || SATISFACTORY – 84-75 || UNSATISFACTORY – 74 and Below

EVALUATION PERIODS (Clock hours – Actual Hours)

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the scheduled contracted hours.

Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis.

FINANCIAL AID WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making Satisfactory Academic Progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. Financial aid warning allows the student to be eligible for aid within a pay period and maybe assigned without an appeal.

FINANCIAL AID PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making Satisfactory Academic Progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy

standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirement set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance academic requirements required to satisfactory academic progress or by the academic plan, he/she will be determined as NOT making Satisfactory Academic Progress and, if applicable, students will not be deemed eligible to receive the Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period. A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by:

Making up missed tests and assignments and increasing grade average to 75% or better, and/or

Increasing quantitative attendance to 75%.

Please note: at any point a student reestablishes satisfactory academic progress, financial aid will not be retroactive during the period the student wasn't eligible for financial aid.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Students who drop and reenroll within 180 days will enter a new enrollment with the same tuition rate as they were previously enrolled.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal

and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NON-CREDIT, REMEDIAL COURSES, REPITITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's previous re-entry hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Miracle Beauty and Nails Academy currently does not offer Title IV funding.

Additional Information and School Activities:

Miracle Beauty and Nails Academy offers a school association for interested students: Miracle Student Association (MSA). It provides extracurricular activities for students to better prepare for a successful career in the beauty industry.

The training motivates students to take initiative, be responsible, and to make sound business decisions. These techniques especially benefit the student who is searching to make their dream a reality.

Minimal school assignments will be given for completion at home. Students will have allotted classroom time to read and complete study guides.

Miracle Beauty and Nails Academy provides scheduled times and days, before or after school, for students requiring additional assistance. This time can be used for academic advising and/or tutoring.

The Official School Transcripts fee is \$25.00. Transcripts will only be released when all fees are paid in full.

Students may bring in family members or friends to practice services on. Please be advised, you must schedule them through the school, and they will be required to pay for the service they receive. Family members will receive a 25% discount on week days and a 10% discount on weekends (Friday and Saturday).

Cosmetology Program Outline (1500 Hours)

DESCRIPTION:

The Cosmetology Course is a 1500-hour course designed to train students to become a licensed Cosmetologist upon graduation.

In the Cosmetology course, we emphasize the development of your attitude, appearance and behavior. These traits, coupled together, will help make you a successful Cosmetologist. Ethics, standards, principles of safety, and general first aid treatment are also studied. These classes consist of the principles and techniques involved in the basic procedures of hair and nail care; the fundamentals of hair styling and shaping, and manicures and pedicures are introduced. Mannequins, classmates, and the general public are utilized by the student to develop the manipulative skills and to practice these procedures. Also, you will be introduced to thermal services and skin care. Students will receive extensive training in chemical services.

Upon completion of the course, student will receive a certificate of completion, and will qualify to take a state board test to become licensed as a Cosmetologist. The state of Virginia currently does not require CEUs to maintain license. The license must be renewed every two years by paying the necessary fee. The school works on clock hours, and the total tuition is based on the cost of the course and not credit hours.

OBJECTIVES: Upon completion of the course requirements, the determined graduate will be able to:

Project a positive attitude and a sense of personal integrity and self-confidence.

Project professionalism, visual poise and proper grooming.

Communicate effectively and interact appropriately with colleagues, supervisors, and clients.

Respect the need to deliver worthy service for value received in an employment environment.

Perform the basic manipulative skills in the areas of hair styling, hair shaping, hair coloring, texture services, scalp and hair conditioning, skin and makeup, and nail care.

Perform the basic analytical skills to advise clients in the total look concept.

Apply academic learning, technical information, and related matter to assure sound judgments, decisions, and procedures.

To ensure continued career success, the graduate will continue to learn new and current information related to skills, trends, and methods for career development in cosmetology and related fields.

REFERENCES: A comprehensive library of references, periodicals, books, texts, audio/video tapes and web-based materials are available to support the program of study and supplement the program of study. Students should avail themselves of the opportunity to use these extensive materials.

TEACHING AND LEARNING METHODS: The clock hour education is provided through a sequential set of learning steps which address specific tasks necessary for state board preparation, graduation, and job entry level skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans, which reflect effective educational methods. Subjects are presented by means of interactive lecture, demonstration, cooperative learning, labs, student salon activities, and student participation. Audio-visual aids, guest speakers, field trips, projects, activities, and other related learning methods are used in the course.

GRADING PROCEDURES: The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 - 100 EXCELLENT

85 - 92 VERY GOOD

Cosmetology Instructor Program Outline (400 Hours)

DESCRIPTION:

Pre-Requisite: Students must have completed the Cosmetology course and have obtained the applicable license.

The Cosmetology Instructor course teaches student how to be a professional instructor in the Cosmetology field. They learn to identify the characteristics of their students as well as different learning abilities. Students will also learn to write lesson plans, design tests, study guides, and worksheets. In addition, they will grade tests and learn how to properly maintain students' records.

OBJECTIVES: Upon completion of the course, students will receive a certificate of completion, and will qualify to become licensed as a Cosmetology Instructor. The state of Virginia currently does not require CEUs to maintain license. The license must be renewed every two years by paying the necessary fee. The school works on clock hours and the total tuition is based on the cost of the course and not credit hours.

REFERENCES: A comprehensive library of references, periodicals, books, texts, audio/video tapes and web-based materials are available to support the program of study and supplement the program of study. Students should avail themselves of the opportunity to use these extensive materials.

TEACHING AND LEARNING METHODS: The clock hour education is provided through a sequential set of learning steps, which address specific tasks necessary for state board preparation, graduation and job entry level skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans, which reflect effective educational methods. Subjects are presented by means of interactive lecture, demonstration, cooperative learning, labs, student salon activities, and student participation. Audio-visual aids, guest speakers, field trips, projects, activities, and other related learning methods are used in the course.

GRADING PROCEDURES: The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 - 100 EXCELLENT

85 - 92 VERY GOOD

75 - 84 SATISFACTORY

74 and BELOW UNSATISFACTORY
